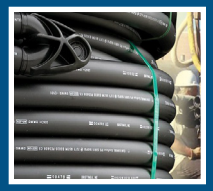
GEOTHERMAL - GROUND SOURCE CONDUIT SYSTEMS



Geothermal conduit piping systems provide the “best of all worlds” for renewable energy by maintaining cost-effective, reliable, sustainable and environmentally friendly power.

Industrial Sales stocks and distributes *products for ground source conduit systems including HDPE pipe, fittings, equipment, and accessories for applications within the commercial and residential heating and cooling markets.*

TELECOMMUNICATION - CABLE POWER TRANSMISSION

Polyethylene pipe and fittings continue to be the products of choice for numerous applications and in a multitude of industries.

Installing polyethylene pipe conveniently from *reels, paired with the application of fusion technology, increases efficiency for underground city installations, as well as long-distance piping runs in rural locations for fiber optics and wind energy applications.*

The Utility Division provides products, services and technical support to the commercial, industrial, municipal, and utility markets within the territories we represent.

COMMERCIAL - INDUSTRIAL - MUNICIPAL - UTILITY

GAS DISTRIBUTION - GATHERING RECOVERY SYSTEMS

Industrial Sales is one of the largest stocking distributors in the Midwest for gas pipe, valves, fittings, accessories and fusion equipment.

We have been providing polyethylene piping products and fusion equipment for gas distribution, gathering and recovery systems since 1985.

We supply MDPE and HDPE pipe and fittings, *which have been utilized for many years in the gas and oil industries and are currently considered to be the products of choice for these piping system installations.*

SEWER - STORMWATER DRAINAGE WATER DISTRIBUTION

For over 50 years, Industrial Sales has provided products and services for sanitary sewer, stormwater drainage and water distribution applications.

We stock a large inventory of piping, valves, fittings, equipment and accessories to meet all of your project needs.

As one of the earliest distributors of HDPE piping *systems and related equipment, Industrial Sales is recognized as an industry leader in HDPE product knowledge and distribution capabilities.*
