Our facilities stock a large inventory of products for the installation, service, and maintenance of irrigation systems, landscape lighting, drainage systems, water features, and additional outdoor living components.

COMMERCIAL - INSTITUTIONAL - MUNICIPAL - RESIDENTIAL

LANDSCAPE - SPORTS FIELD TURFGRASS IRRIGATION SYSTEMS

Industrial Sales maintains a large inventory of the latest irrigation products from the industry's leading manufacturers for commercial, industrial, institutional, municipal, residential and sports field applications.

Industrial Sales provides products and recommendations to help control system costs and minimize waste by utilizing water-conserving equipment, sensors, pumps, reclaimed or recycled water and irrigation control systems.

Our manufacturer-trained team of professionals *assist with product selection, troubleshooting, service, and operation.*

LANDSCAPE - STREETSCAPE SPECIALTY LIGHTING

Industrial Sales stocks a wide variety of landscape lighting products from multiple manufacturers to meet the needs of each distinct lighting design.

The landscape lighting products distributed by Industrial Sales include integrated and non-integrated fixtures, allowing for flexibility to control light output, beam spread, color, dimming, and zoning.

LED lamps and integrated LED fixtures *are energy efficient and offer the latest advancements in industry technology.*
