

**PROGRESS  
AS PROMISED**

# LONE ELM & OLD 56 HWY DETOUR

**★ INDUSTRIAL SALES COMPANY**

**DETOUR**

## PLEASE NOTE:

The City has created a great website discussing all of the intersection and detour details. [www.OlatheKS.org/LoneElm](http://www.OlatheKS.org/LoneElm)

- A single lane north and south bound on Lone Elm will remain open during construction
- The completed intersection will be a Continuous Flow Intersection configuration

This will be the very first such intersection in the State of Kansas. There is a YouTube video on the City's website of how the intersection will work.
